

# Free OXFORD B2 Listening Test

## Headline:

 B2 Learners – Certified or on the way to be so: Take a Free **Oxford** Listening Test online !

## Body:

Are you at a B2 level? Maybe you have a certificate, and wondering if you're truly ready to move up? Or maybe you simply feel ready.

Either way, this is for you. Now is your chance to find out – with no cost and no commitment.

## What's on offer?

An ONLINE and FREE, real-sample listening exam designed by Oxford.

You'll get:

- A genuine taste of OTE's official exams – An Oxford Listening Test of English !
- Instant clarity on your current listening strengths and gaps
- An honest indicator of whether you're ready for C1-level work

## Who is this for?

- Learners who *estimate* themselves at B2 (B2 learners at CILT or from outside)
- Those who *hold a B2 certificate* and want to check their current listening level as this will give them an honest snapshot of their listening ability today – and help them decide if they are ready to work toward C1.

## What's not included?

This is not a full certification or a pass/fail test. It's a snapshot of your listening ability under OTE (Oxford Test of English ) exam-like conditions.

## What you get:

- A real sample listening exam from OTE -PRP at CILT – An Oxford Approved Test Centre
- Personal feedback on your performance
- A clear indication: ready for next level, or need more B2 practice
